WORKSHOP ON NUMERICAL ASTROPHYSICS:  
"CHEMICAL EVOLUTION OF GALAXIES"

Buenos Aires, Argentina, 24-27 November 2008

---

This is the second announcement of the "Workshop on Numerical Astrophysics: Chemical Evolution of Galaxies - CEG08" to be held in Buenos Aires, Argentina 24th-27th November 2008, at the Institute for Astronomy and Space Physics.

The organizing committee of the CEG08 would like to draw your attention on several issues regarding the preparation of the workshop/school.

(1) We are glad to inform you that we are now able to offer a special registration fee to those that can register by 15th September: Please, check the web page of the conference.

(2) Participants are invited to present their work. Please, send the information when you register. Those interested in attending the workshop should send the registration form to [ceg08@iafe.uba.ar](mailto:ceg08@iafe.uba.ar). PLEASE CONFIRM YOUR ATTENDANCE BEFORE THE \*\*\*\*15th SEPTEMBER\*\*\*\*.

(3) We are planning to have a poster session. Therefore, the students who wish to present their work as posters are welcome to do so. We will give you instructions on the size of the poster soon. For the time being we would appreciate if you could indicate if you wish to present a poster and send us a title and a brief abstract (not more than 5 lines). Send such information to [ceg08@iafe.uba.ar](mailto:ceg08@iafe.uba.ar).

(4) We might eventually provide partial financial support for students/post-docs who register by 15th September. Please, check the web page for news.

(5) We will get back to you soon with more information about some practical details like hotels, etc.

Please do not hesitate to contact us if you have any queries.
